Sacha,

Please have your admin email me today if possible when they are ready for me to call in payment info. If it can't be done today, please have them contact Janice Pearson (cc'd on this email) to arrange for payment as I will no longer be here at the ICP.

Thank you

Please find a Notice of Public Comment Opportunity from the USEPA attached. It is included in both Word and PDF format. We would like to run this notice in the Southern Ute Drum for a one day run in the next available edition.

Please contact me for billing information. We will be using a purchase card for this request.
